

*“Adding my enhanced business listing to the Tustin Chamber website and becoming a pillar sponsor has resulted in a 34% increase in traffic to my website and many phone calls that resulted in new customers. Compared to the pay per click and direct mail advertising I’ve been doing, the return on investment is a no-brainer”*

*D. Dino, Web Casa Design*

**PILLAR SPONSORSHIPS**

As an alternative to sponsoring activities event-by-event, Pillar subscribers are highlighted as sponsors of the total range of Chamber activities. This is done through one all-inclusive annual, anniversary Pillar sponsorship billing. A special feature of this program is the inclusion of exclusive Pillar sponsorship of certain chamber events, an opportunity available only to Pillar participants.

In addition to substantial recognition, Pillar sponsors receive special invitations, courtesy benefits, and complimentary tickets to specified events. An annual sponsor profile and a Pillar roster advertisement are highlighted in the Business Advocate. Pillar sponsors are also recognized in all programs and publications associated with Chamber events. Pillar sponsorships are available to active members in good standing only.

Contact the Chamber today to see how we can help you gain more exposure and more leads for your business!
